Experience

AUDIO ENGINEER AND PRODUCER, HEAR ALLÁ PRESENTE; DENVER, CO — 2022

- Recorded, edited, hosted, and scripted compelling episodes for a University of Denver-funded podcast about immigration and Colorado.
- Interviewed multiple subjects, and crafted a cohesive narrative around several hours of preexisting raw interview tape.
- Selected appropriate musical and other sonic elements to weave into the stories.

AUDIO ENGINEER, NPR NEXT GENERATION RADIO; DENVER, CO — 2021

- Produced, mixed, and mastered radio-ready pieces on a schedule of short deadlines to be aired on Colorado Public Radio.
- Taught journalists various field recording techniques, including setup, takedown, and best practices for selecting a location.

DOOMSDAY DAYDREAMS (LOW ORBIT); DENVER, CO — 2020 - PRESENT

- Creating an experimental anthology docuseries about different doomsday scenarios, the cultures surrounding them, and the public's fascination with the end of the world.
- Composed original score to accompany the tape and host's narration according to sonic brand parameters set by co-producer Josh Mattison.
- Assisted in structure and tone within episode scripts.

CONCERT PHOTOGRAPHER; DENVER CO — 2016 - 2019

- Accurately predicted trends in up and coming acts prior to outreach.
- Photographed artists such as NoMBe, Alt-J, Lewis Del Mar, Young the Giant, Joywave and Cold War Kids, Vista Kicks, Cleopatrck and Grandson in inconsistent and varying conditions.

CANVASSER & COMMUNITY REPRESENTATIVE, AMNESTY INTERNATIONAL USA; DENVER CO — 2018

- Raised sustainable monthly members in the routinely most successful US market.
